Dear Sir / Madam,

Bon Chef, Inc. (U.S.A) has been dedicated to manufacturing and supplying the most durable products available to the food service industry since 1972.

Bon Chef's New **Classic country French Collection** combines attractive design with functional construction for the ultimate line of efficient, easy to use cookware.

#### Features:

- 5 layers of highly conductive aluminum and stainless steel
- optimal even heat distribution
- induction-ready cookware
- ideal for steam tables and cold wells too
- use in conjunction with stainless steel food pans to create a double boiler

Available in 5 brilliant colors and a variety of stainless steel finishes, including high polished and satin.
