SOFT SENSATIONS PVT. LTD.

Greetings!

For over 100 years OLYMP from Germany , with its numerous inventions and innovations, has been one of the world's leading equipment providers for the hairdressing trade. Olymp has recently developed two multi-functional comfort models with the current retro-trend.

1.Heritage

2.Legend

The vintage chairs offer a wide range of design and usage options, from the barber's chair to the elegant and comfortable hairdresser's chair, covering many different applications from hair cutting to beauty treatments.

Unique Features:

1. Reclinable back rest suitable for backwash
2. Headrest for make up
3. Reversible cushions
4. Aluminium leg rest & foot rest
5. New Base plate

HERITAGE

- Comfortable armchair in vintage style
- Adjustable back rest
- Optional footrest
- Oil-hydraulic height adjustment can be rotated and locked into position
- Reversible cushions
- Optional integrated push-pull mechanism with headrest
- Armrest in black wood or with fabric covering.

LEGEND

- Barber's chair with legendary design
- Adjustable back rest
- Optional footrest
- Oil-hydraulic height adjustment that can be rotated and locked into position
- Reversible cushions
- Optional integrated push-pull mechanism with headrest
- Armrest in black wood or with fabric covering

We would be glad to assist if you have any queries. We look forward to your kind response.

Sincerely,

Raman Grover
