Dear Sir / Madam,

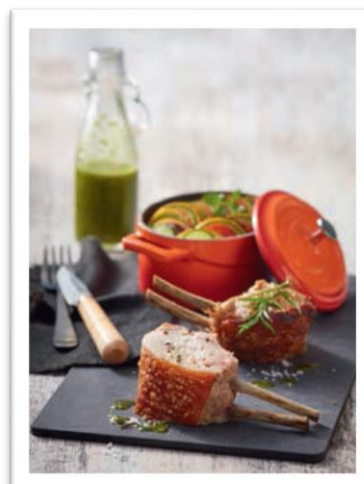

SCHÖNWALD from Germany constantly provides perfect solutions for various food service concepts. The designs leave room for creativity and inspire new ways of presenting food. The new **PLAYGROUND collection**, adds a totally new dimension to the above statements.

PLAYGROUND is an assortment abounding with interesting and exciting items for innovative food presentations – be it on the table or on the buffet, in rooms service, at the bar or for event catering. Playground comprises tabletop items beyond porcelain – stoneware, wood, slate, melamine, cast iron, leather, marble and glass form part of the collection.

Let yourself be fascinated by PLAYGROUND! Enjoy its abundance and play with the exciting opportunities to create culinary highlights!
