STOELZLE NEW ARRIVALS - AMBIENTE 2018

[Join Our Mailing List!](#)

Greetings!

Stoelzle from Germany - the brand stands for innovation and quality. A glass by Stoelzle adds a noble touch to water, whisky, and wine. Stoelze showcased New arrivals in the recently held Ambiente Fair 2018 at Frankfurt .

1. Hot & Cold Double-walled glass
2. New Element Series
3. New Twister Series
4. Event with metallic lustre

HOT & COLD - DOUBLE WALLED GLASSES

Stölzle Lausitz has expanded the functional possibilities of its range of glasses. Because the double-walled glass tumblers are suitable for hot drinks from coffee and its variants, right through to tea, as well as for cold drinks.

- the oriental tea glass was the inspiration for the design

- suited for hot and cold beverages like tea, coffee and cocktails
- insulating character due to double wall
- mouth-blown thermo-glass
- made of borosilicate glass
- dishwasher safe
- suited for the microwave
- Size : 90 ml, 180 ml, 230 ml and 330 ml

NEW ELEMENT SERIES

Coloured drinking glasses as accentual accessories on the table continue to grow in popularity, specifically in haute cuisine .

- Suitable for water , juices, cocktails
- 100% lead-free crystal
- the glasses have been sprayed with organic ink from the outside
- dishwasher safe
- optimum durability & elegance
- Made in Germany
- Size: 335 ml

NEW TWISTER SERIES

The latest additions to its Twister glass tumbler series. Extraordinary glass tumblers with a black or white exterior combined with one of the metal tones on the inside of the glass. The effect of the grooved décor, in this combination, provides surprising light and colour effects.

- suitable for water, juices, cocktails, wine and useable as an atmospheric storm lamp
- 100% lead-free crystal
- the glasses have been sprayed with organic ink from the outside
- dishwasher safe
- optimum durability & elegance
- Made in Germany
- Size : 465 ml

EVENT WITH METALLIC LUSTRE

Stoelzle now provides Event series with stems in the three colour shades. In the new version, the stem and base plate of the white wine, red wine and champagne glasses of the series are skilfully accented with gold, silver- or bronze-shining surfaces. The elegant, classic glass series for wine or sparkling wines like champagne

- 100% lead-free crystal
- brilliant clarity & dishwasher safe
- extra robust and therefore optimum durability
- Made in Germany
- Size :195 ml, 360 ml, 640 ml

We would be glad to assist if you have any queries. Looking forward to your kind response.

Sincerely,

Raman Grover
