

SOFT SENSATIONS PVT. LTD.

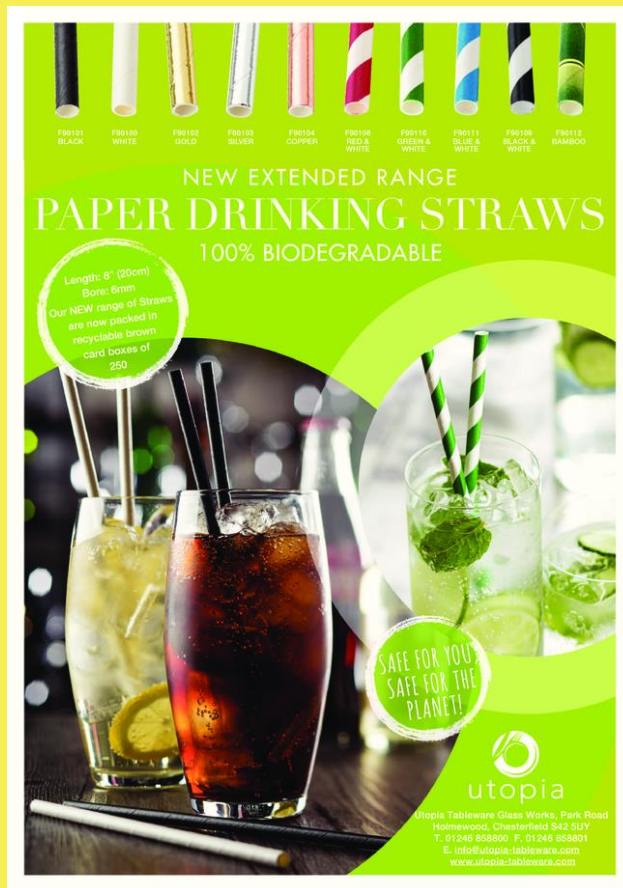

June 2018

Greetings!

Introducing the New Paper Drinking Straws from Utopia.

The NEW range of straws are packed in recyclable brown card boxes of 250 straws answering the markets demand for an environmentally friendly alternative to the plastic drinking straw.

- 100% bio-degradable,
- 100% recyclable and food safe.
- Measuring 5.5" (14cm) and with a 5mm bore this simply stylish straw will enhance any cocktail serve.
- Available in cartons of 250.

Please let us know if you have any queries.

Best Regards,
Raman Grover
