The New WMF Cutlery finishes :

- 1. Glass-bead-blasted**
 - No finger prints
 - Matt product with a shiny finish
 - Adds an elegant look to the cutlery
- 2. Stone-washed**
 - Vintage style that is very good for rustic and old-styled outlets
 - Rustic look makes it seem "scratched" and therefore additional scratches will not stand out

GLASS - BEAD - BLASTED

STONE- WASHED

Please note both the cutlery finishes are available on all patterns of WMF.

Kindly let us know if you have any queries.

Sincerely,

Raman Grover
